# INTRODUCTION

Established in 1999, Kekalboleh Sdn Bhd is a family-owned trading company that specialised in supplying pipes and plumbing products to hardware stores, commercial and government projects in Sabah, Labuan and Lawas, Sarawak.

Started with a warehouse at Sepanggar, the company mainly dealt with supplying u-PVC Pipes. We moved to the current premise in Pusat Perindustrian Kolombong Jaya in 2004. Since then, we have been expanding our product ranges to meet market demands. Most of our products are certified by SIRIM, SPAN and local government authorities.

In 2012, we opened our first branch at Bandar Letat Jaya, Sandakan. This branch is in charged of serving customers from East Coast of Sabah.

Irrigation products for agriculture application was added into our product range in 2019 as we anticipated a growing demand for these products.
